**A MEMBER BENEFIT TO HELP YOU  
COMPLY WITH THE 2022 CALIFORNIA  
E-PRESCRIPTION LAW**

- E-prescriptions compliancy begins Jan 1, 2022 in California for both controlled and noncontrolled substances with very few exceptions. Paper prescriptions will no longer be allowed by state law.

- iPrescribe can be used for new prescriptions and renewals and for electronic prescribing for controlled substances (EPCS). The mobile app is fully HIPAA-compliant to keep patients' protected health information secure, provides safety alerts for potential drug interactions and allergies, and allows real-time access to patient medication history and copay information.
- **HDS Member Dentists will be entitled to use iPrescribe free for 1 year so long as you register to use iPrescribe by March 31, 2022. Non HDS Members pay a higher fee for iPrescribe.**
